Tasting characteristics

Colour: deep garnet red.

Bouquet: this wine offers us highly complex, open and very pleasant aromas; flowers and scents of red fruit dominate but notes of hay, spices and tobacco also provide great depth and fullness!

Palate: rich, elegant, sometimes austere, capable of combining great pleasure and excellent ageing potential. A small number of bottles of a very special Barbaresco! We recommend decanting and serving at a temperature of 18-20°C. This wine achieves its finest expression when paired with red meat, particularly game, and truffles. It is also excellent with fresh-egg pasta dishes with meat sauces, or risotto, not to mention medium-mature cow's and goat's milk cheeses.
